

Dear PHS Robotics Team parent,

The robotics competition is coming soon, April 4th and 5th. We will be departing from PHS on April 3rd at 10:00 AM and come back on April 5th approximately 8:30 PM. We have secured charter buses, STOUTS Transportation Services for traveling to and from Trinity College. The Club has been raising funds for the buses and hotel chargers. However, a voluntary donation of \$30 would be appreciated since our funds will not be covering all the expenses. In addition, students should bring money to pay for their meals and snacks (approximately \$30). Financial aid is available. We will be staying at Homewood Suites by Hilton Hartford Downtown, 338 Asylum Street, Hartford CT 06103. Tel # 888-728-3028

We have reservations for 4 rooms. The hotel offers free breakfast. Students can purchase lunch at Trinity College. Usually, during competition the organizers of the competition offer free pizza, doughnuts, fruit, other snacks and drinks. At dinner time, we will call in or pick up food.

- The events schedule has not been posted yet but I will forward them to you as it posted.
- The nurse will be asking for health forms to be signed. I will send them when they come up. If you want me to be aware of any special needs, please contact me.

My email: gracielaelia@princetonk12.org

My cell number is 908-420-2161.

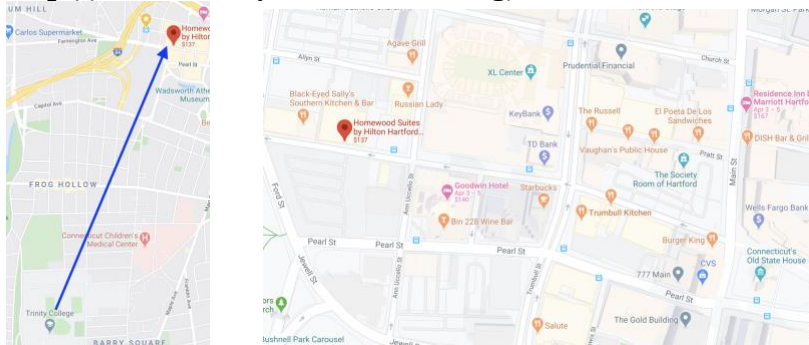

Sincerely,

Graciela Elia
